

 **The Tomczyk Group LLC**
Multistate Tax Solutions

Joseph J. Tomczyk heads the consulting firm, The Tomczyk Group LLC. This highly specialized practice concentrates in state and local tax consulting with an emphasis on Michigan Taxes, training, and accounting analysis/reconstruction. While dealing with all segments of state and local taxation, the practice is solidly experienced in audit defense, problem resolution, litigation support, and planning. As a result the firm often works with other CPAs and law firms in furthering their Client's best interests.

With more than 41 years experience in the multistate tax arena, Joe has worked with both governmental taxing authorities and the business community. He has represented a wide variety of local and national clients in industries such as manufacturing, contracting, retail, general services, energy production, financial services, transportation services, broadcasting, and Internet access. He has reviewed the tax systems of the largest companies in the United States, identified their strengths, and developed opportunities for tax efficiencies and minimization.

During his career, Joe was associated with the state and local tax practice of a "Big Four" accounting firm; he was also affiliated with a large independent state and local consulting firm in the United States, and two regional tax consulting firms. Prior to his consulting activity, Joe spent 26 years with the State of Michigan, Department of Treasury, directing its tax enforcement program during the later part of his tenure.

Joe is a frequent speaker for the Michigan Association of Certified Public Accountants. He has contributed articles and has spoken at a number of organizations including the Grand Rapids Press, Saginaw News, Tax Executives Institute, Federation of Tax Administrators, and the State and Local Tax Institute sponsored by Georgetown University.

Mr. Tomczyk holds a Bachelor of Science degree in Business Administration – Accounting from Wayne State University. He is a Certified Public Accountant. Joe is a recipient of the Thomas M. Hoatlin Award presented by the MACPA for his contribution to maintaining a good channel of communication with the MACPA and the Michigan Department of Treasury. He is the past Chair of the State and Local Taxation Task Force of the MACPA and former Chair, Tax Policy Sub-Committee, Grand Rapids Chamber of Commerce. During his association with the State of Michigan, Mr. Tomczyk chaired the National Nexus Program administered by the Multistate Tax Commission.
